News Release

Release No. CESWF-PA-01-010 Contact: Ron Ruffennach

For Release: Immediate 3 Jan 01 Phone: (817) 978-2196

Recreation facilities closed at Wright Patman Lake

Numerous recreation facilities at Wright Patman Lake are closed until further notice because of damage caused by the recent winter storm.

All Corps-operated campgrounds and pavilions at the lake are closed. While the boat ramps at Malden Lake Park and North Shore Park are open, all other Corps-operated boat ramps are temporarily closed.

The public can find out which facilities have been reopened by calling 903-832-7754. A recorded message will announce which facilities remain closed and will be updated as facilities are reopened.
